CANCELLED. Friday, July 29, 2022 Bug Spring Trail One Way Car shuttle
[C+/5mi/1200'/\$6/6:30am @ TH] All participants should be Covid vaccinated as we will be doing a car shuttle unless we have adequate hikers who wish to go up or down in which case we can do a key exchange. Trail starts just north of GHRA @ Bug Springs TH. It climbs steadily for about 800 feet, then levels off for some distance. There are several more steep climbs and declines before nearing end of trail where there is a final long, very steep decline to the Mount Lemmon Highway at the end of trail near Chihuahua Pines Picnic Area, 1/4 mile south of General Hitchcock Campground where shuttle car(s) will be awaiting. Parking is limited in both lots and this trail is very popular with mountain bikers so we will need to be vigilant while hiking. This hike is very interesting with many unusual rock formations, three completely different terrain segments and some beautiful Arizona Madrone trees rarely seen in this area - near the north decline. NOTE: there are restrooms at the Chihuahua Pines Picnic Area. Hike will be postponed if there is an elevated chance of monsoon AM thunderstorms. Jo Eaton, roadrunnerjo7@gmail.com.
