

Sun City Oro Valley Hiking Club

Who We Are

The SCOV Hiking Club is a chartered member of Sun City Oro Valley, an active adult community located in the city of Oro Valley, a northwest suburb of Tucson, AZ. The club is dedicated to promoting desert and mountain hiking and related activities for resident members and guests of Sun City Oro Valley. Sun City Oro Valley is truly fortunate to be close to the best hiking mountains and desert in Arizona. The Santa Catalina Mountains alone provide over 230 miles of hiking trails. Numerous other mountain ranges with trail systems are nearby. Prior to 2012 the community was known as Sun City Vistoso.
