

SCOV Hiking Club Board Meeting Wednesday, April 5, 2023

Chief Guide Update

In February, **26** Guides conducted **52** hikes providing **475** days of hiking which totaled **2506** miles and averaged **9** hikers per hike.

In March, **23** Guides conducted **53** hikes providing **471** days of hiking which totaled **2698** miles and averaged **9** hikers per hike.

If we could link all the miles hiked in February and March “end to end”, we would have hiked from SCOV to Boston and back!
